(Formerly Pathfire)

CALM Act Certification

Extreme Reach News & Syndication delivers syndicated programming to downstream video programming distributors. Programming delivered by Extreme Reach is integrated and distributed by both Extreme Reach and third parties. The following statement is in reference only to syndicated programming integrated and distributed directly by Extreme Reach and does not include that integrated or distributed by any third party using the News & Syndication service.

This is to certify that:

1. Pursuant to Section 73.682 of Title 47 of the Code of Federal Regulations, all commercial advertisements and promotional announcements embedded in syndicated programming integrated and distributed by Extreme Reach are materially in compliance with the loudness control practices contained in Advanced Television Systems Committee (ATSC) A/85:Recommended Practice: Techniques for Establishing and Maintaining Audio Loudness for Digital Television ("ATSC A/85 Recommended Practice") at the point of distribution by Extreme Reach to downstream video programming distributors.
2. Compliance with the ATSC A/85 Recommended Practice is determined by Extreme Reach through the use of equipment and associated software that is installed, utilized and maintained in a commercially reasonable manner.

Executed this 11 day of December, 2014.
